

are you practicing what pdf

During the time you are practicing mindfulness, you stop talkingâ€”not only the talking outside, but the talking inside. The talking inside is the thinking, the mental discourse that goes on and on and on inside. Real silence is the cessation of talkingâ€”of both the mouth and of the mind. This is not the kind of silence that oppresses us.

Five Steps to Mindfulness - University Health Services

Practice preaching these key parts using no notes at all. Questions for consideration. 1. Consider how the process above is similar to or different from what you already do to practice what you ...
