Art intervention is an interaction with a previously existing artwork, audience, venue/space or situation. It has the auspice of conceptual art and is commonly a form of performance art. It is associated with the Viennese Actionists, the Dada movement and Neo-Dadaists. Stuckists have made extensive use of it to affect perceptions of artworks they oppose and as a protest against existing ...

Mexican art consists of various visual arts that developed over the geographical area now known as Mexico. The development of these arts roughly follows the history of Mexico, divided into the prehispanic Mesoamerican era, the colonial period, with the period after Mexican War of Independence further subdivided. Mexican art is usually filled most of the time with intricate patterns.
