The modern bikini made its debut in 1946, and since then it has caught the popular imagination becoming probably the most popular women's swimsuit, and not necessarily for swimming. Today, bikinis appear in competitions, films, magazines, music, literature, and even video games. Despite the easy availability of more revealing glamour imagery, bikini modeling remains popular and can still create ...

For the bikini area, it's much better than the other kind of wax, the stuff used with strips. But you have to be super careful because unlike the stuff with strips, which you could just wash off if you chicken out on taking those hairs off, once you put it on there's no turning back--you will rip out every single hair you've applied wax on.
