

basic income on the pdf

Any increase in the level of basic income as a proportion of median earnings above 18% would lead to a similar, though slightly smaller, increase in the required average tax rate. For example, basic income at 30% of median earnings would require an increase of ten percentage points, from 40% to 50%, in the implied average tax rate.

The basics of basic income - John Kay

Basic income is one of those few simple ideas that must and will powerfully shape, first the debate, and next the reality, of the new century.

Basic Income: A simple and powerful idea for the twenty

• (University of Luxembourg, April 2011) and on
