Accommodations are changes to materials or procedures that enable students with disabilities or English language learners (ELLs) to participate meaningfully in learning and testing. It is important to keep in mind that while some accommodations may be appropriate for instructional use, they may not be appropriate or

Accommodation Resources

Leadership is both a research area and a practical skill encompassing the ability of an individual or organization to "lead" or guide other individuals, teams, or entire organizations. Specialist literature debates various viewpoints, contrasting Eastern and Western approaches to leadership, and also (within the West) United States versus European approaches.
