

### **body image care for pdf**

Body image is a person's perception of the aesthetics or sexual attractiveness of their own body. It involves how a person sees themselves according to the standards that have been set by society. The Austrian neurologist and psychoanalyst Paul Schilder coined the phrase body-image in his book *The Image and Appearance of the Human Body* (1935). Human society has at all times placed great value ...

### **Body image - Wikipedia**

**Positive Body Image:** Body image is the perception that a person has of their physical self and the thoughts and feelings that result from that perception.

### **Positive Body Image: How to Feel Good About Your Body**

Body image is a broad concept that refers to the way people think and feel about their appearance 1. It encompasses ideas about size and shape, skin colour, birthmarks, scars, facial features, clothing and adornments related to personal religious beliefs, physical disabilities, and the use of equipment and aids like prostheses or wheelchairs.
