Review of Engineering Fundamentals - Department of Civil

Fundamentals of Engineering Exam Practice, practice, practice! Nothing can better prepare you to take the FE exam than to work lots of engineering problems. Students who take the time to study together in small groups and meet at a regular time to practice tend to be more successful on the FE than students who rely on last-minute cramming.

The best thing you guys can do is look through the PDF handbook. Sure you get it on the exam, and yes you can do word searches, but the problem is that the exam is worded so that you can't really search a keyword and get a result. You just need to know where that bit of information is, and you need to be able to find it in a pinch.
