

training units of the pdf

Training in units focuses on improving unit, Soldier, and leader proficiencies. Commanders and other leaders ensure unit training plans prioritize and execute collective training to maximize the operational performance of the unit. Collective training not only includes unit-level tasks and events, but also requires individual skill proficiency, and

ADP 7-0FINAL Draft - United States Army

• The best trained units determine which limited number of training tasks they intend to master and then adapt from that known point as conditions change. • Good leaders take pride in planning, preparing, executing, and assessing training.

TRAINING UNITS AND DEVELOPING LEADERS FOR FULL SPECTRUM
