Language Learning Difficulty | About World Languages

Multilingualism is the use of more than one language, either by an individual speaker or by a community of speakers. It is believed that multilingual speakers outnumber monolingual speakers in the world's population. More than half of all Europeans claim to speak at least one language other than their mother tongue; but many read and write in one language.

Multilingualism - Wikipedia

Language education refers to the process and practice of acquiring a second or foreign language. It is primarily a branch of applied linguistics, however can be considered an interdisciplinary field. There are four main learning categories for language education: communicative competencies, proficiencies, cross-cultural experiences, and multiple literacies.

If your language goals include learning to read and write Japanese, this is the edition for you. In this edition, the Japanese words and sentences are mostly written as they would normally appear in Japanese, whether that be in hiragana, katakana or kanji. The only exceptions to this are in the first few chapters, and where a kanji is particularly difficult or rare.
