As a classroom teacher, I was largely ignorant of, and definitely suspicious of, research. I believed that researchers could make their studies come out any way they wanted them to, and that a good teacher who reflected on her own teaching knew much more about how to be effective with her students than any researcher did.

What Does Research Tell Us About Teaching Reading to

Reading comprehension is the ability to process text, understand its meaning, and to integrate with what the reader already knows. Fundamental skills required in efficient reading comprehension are knowing meaning of words, ability to understand meaning of a word from discourse context, ability to follow organization of passage and to identify antecedents and references in it, ability to draw ...

Dangerous people are filling the heads of young people with dangerous nonsense. Who are these people? They are what Jordan Peterson calls "the post-modernists": neo-Marxist professors who dominate our colleges and universities. And here's the worst part: we are financing these nihilists with tax dollars, alumni gifts and tuition payments.
