Nonverbal communication represents two-thirds of all communications. [dubious “ discuss] Nonverbal communication can portray a message both vocally and with the correct body signals or gestures. Body signals comprise physical features, conscious and unconscious gestures and signals, and the mediation of personal space. The wrong message can also be established if the body language conveyed ...

Appleseed focuses on broad systemic social initiatives rather than on the traditional provision of legal services to individuals. This vision grew out of the idea that the best way to achieve big results is to work for the kind of change that levels the playing field and transforms entire communities at a time.
