point out the "real necessity for additional housing accommodation in the village"™. In response to the village's request for ten new houses, the R.D.C. granted just four for the "working classes"™. Five years later a further list of over twenty applicants was submitted and a further ten houses were granted.

Maintaining Robbins is not going to be easy, but we have a legacy of making it work. Our village is small, and it's mostly residential, but its people are strong and robust.

### **Village of Robbins**

According to Biesanz and Biesanz, "In the rural community custom is the king, the folkways and mores control most of behaviour,"• The sense of group responsibility which tends to be more and more dissolved in the growth of the city prevails in village life.
