Utility ratemaking is the formal regulatory process in the United States by which public utilities set the prices (more commonly known as "rates") they will charge consumers. Ratemaking, typically carried out through "rate cases" before a public utilities commission, serves as one of the primary instruments of government regulation of public utilities.

It was at the center of the biggest self-help phenomenon of the last few decades. Now, everyone knows the secret was the Law Of Attraction. The notion that, through cosmic law, whatever you focus on necessarily grows, so, rather than focusing on what you don't want, hold what you do want in your mind and watch it blossom.

Magic Items and Detect Magic. When detect magic identifies a magic item's school of magic, this information refers to the school of the spell placed within the potion, scroll, or wand, or the prerequisite given for the item. The description of each item provides its aura strength and the school to which it belongs. If more than one spell is given as a prerequisite, use the highest-level spell.
