Survival mode, or horde mode, is a game mode in a video game in which the player must continue playing for as long as possible without dying in an uninterrupted session while the game presents them with increasingly difficult waves of challenges. A variant of the mode requires that the player last for a certain finite amount of time, after which victory is achieved and the mode ends.

Non Sequitur is a comic strip created by Wiley Miller (usually credited as just Wiley) in 1992 and syndicated by Universal Press Syndicate to over 700 newspapers. It is also published on gocomics.com and distributed via email.. Translated from Latin as "it does not follow", Non Sequitur is often political and satirical, though other times, purely comedic.. The strip has undergone many changes ...
