The propaganda model is a conceptual model in political economy advanced by Edward S. Herman and Noam Chomsky to explain how propaganda and systemic biases function in corporate mass media. The model seeks to explain how populations are manipulated and how consent for economic, social, and political policies is "manufactured" in the public mind due to this propaganda.

French justice just acquitted a man after he had sex with an 11-year-old girl, on the grounds that the sex was consensual. As you probably know by now, after inoculating the most repulsive ideas in the everyday life of the West, the next big project of the left is to normalise and legalise pedophilia.
