“Cautious, careful people, always casting . about to preserve their reputations” can never effect a reform.” Susan B. Anthony. Limited in their legal rights and accepted customs of society at the time, women mostly honored their husbands’ demands and spent their time cooking meals, tending to children, watering the horses and taking care of the household chores.

Overview. Diverse women lived in the American West and participated in the making of its history. Diaries, letters, and oral histories tell us that these women—Native American, Hispanic, black, Asian, and white—experienced life on the frontier differently as they sought to use the land and its resources.
