Building Vocabulary with Meaningful Instruction (PDF)

After students have completed the puzzle (in class or as homework assigned to be done with a classmate), the teacher should discuss the solutions with the class as a whole.

crossword puzzles - American English

So, if you want an education, the odds aren't with you: The professors are off doing what they call their own work; the other students, who've doped out the way the place runs, are busy leaving the professors

alone and getting themselves in position for bright and shining futures; the student-services people are trying to keep everyone content, offering plenty of entertainment and building another state-of-the-art workout facility every few months.

important words for college students - Vocabulary List

Although I think college students who don't utilize the benefits of reading end up with weak vocabulary skills. And then when it's time to write a paper, give a class presentation, or communicate good interview answers, they lack the right words that would help them give the best impression.
