World Literature Anthology: Open Textbook World Literature Anthologies are unwieldy and expensive. A single volume of Bedford's six-volume set costs over \$40 and runs to 1,500 pages in length. Adopting only three such for a World Literature I course causes students to purchase nearly 5,000 pages for more than \$120.

World Literature Anthology: Open Textbook

Anthologies of world poetry are tricky, especially when 80% of the original poems are not written in English. It would be too much to ask to see the original of each poem, in such a large undertaking. However, some very fine translators are represented. Each section, divided into time periods and cultures, has a helpful, if minimal introduction.
