Notes on risk: All investing is subject to risk, including the possible loss of the money you invest. Bond funds are subject to the risk that an issuer will fail to make payments on time, and that bond prices will decline because of rising interest rates or negative perceptions of an issuerâ€™s ability to make payments.

Tyler and Jax meet in the club that Tyler works in, Infinity. Their reaction to each other is instant and powerful. Then Tyler finds out just who Jax is, and he fights the attraction. And just when they get back on an even keel, something else pushes Tyler to question whether he is really worth the risk to Jax. For the most part, I enjoyed this.
