Befuddled by the terms that writers and publishers use? Here is a glossary to help you navigate the lingo. There are many terms used in writing, and a novice to this world could well be confused. Here is a selection of writing terms and definitions that you are bound to run into sooner or later. I will try to leave out words specifically related to word usage, such as compound sentence, synonym and pronoun, as well as words related to poetry (so very many of those!).
