Feminine Writing as an Alternative to the Patriarchal Language By Seda Peksen In order to understand why and how feminine writing emerged, it is essential to have a knowledge of the system of the patriarchal language and its hegemonic power. One has to have a clear idea of the use of language as a weapon for political aims, for domination.

### **Feminine Writing as an Alternative to the Patriarchal**

The rapport to the maternal-feminine as same and other, and its varied effects on and in these writers = poetic use of language, provide a common basis for a closer look at a range of individual texts.

As for men's writing, male fiction often splits characters into disjunct fragments, while female characters in novels by women tend to dissolve and merge into each other (185). Finally, she states, female identity is a process (179). Gender influences development of the personality, which in turn, influences writing.

The Conscious Feminine Leadership Academy, CFLA, (formerly The Feminist Leadership Academy of Cincinnati) grew out of the realization that many aspects of the Women Writing for (a) Change model inspire and support women's growth as leaders. The most important resource of this work is a community of women who embody emerging consciousness.
