strands of evidence can result in radically different "icons" for the history of Life (Fig. 1). In this article, we will discuss this evidence to illustrate palaeontology's unique ability to reveal major events in evolutionary history and its role in helping to provide answers to some of the questions that these events raise.

The shape of life: how much is written in stone?

Written in Stone The Treasures of Eden and the Rosetta Stone ... astronomy and architecture, written language, judicial law, government, theology, art, metallurgy, medicine, schools, a monetary system, international trade, and organized warfare.
