X-force was an unusual book to start with, Cyclops assigning hits seemed odd but the plot of each X-force adventure in the series first run was disjointed. It usually followed the same predictable setup: X-force gets a mission that gets complicated fairly quickly and the team must deal with new factors that interfere with their mission.

X-Force, Volume 2: Old Ghosts by Craig Kyle

X-Force is a fictional team of superheroes appearing in American comic books published by Marvel Comics, most commonly in association with the X-Men. Conceived by writer/illustrator Rob Liefeld, the team first appeared in New Mutants #100 (April 1991) and soon afterwards was featured in its own series called X-Force. The group was originally a revamped version of the 1980s team, the New Mutants.
