External Support to Insurgencies. Bruce J. Reider. Abstract. This essay argues that external support to the insurgents is usually a decisive factor in determining the outcome of an insurgency.

External Support to Insurgencies | Small Wars Journal

The Yemeni government has fought an insurgency in the north of Yemen against a group called the Shabab al Moumineen, (Believing Youth) since 2004. The insurgency is portrayed by the Yemeni government in the press as a localized phenomenon led by the single al Houthi family and state that their ranks have been decimated by near-continuous fighting.
