Future - Might As Well (FUTURE)

We can use may as well and might as well for making suggestions. We can use them to say what we think is the easiest or most logical course of action when we cannot see a better alternative. They are both fairly informal. Might as well is more common than may as well: You might as well get a taxi ...

May as well and might as well - English Grammar Today

The expressions may as well and might as well are effectively fixed idioms, so whether you are certain of getting gas or not does not affect matters. Both You may as well and you might as well are used to suggest a course of action that either takes advantage of a positive situation that has come up, or at least tries to make the best of a bad one.

word usage - When would I use "might as well" instead of
