Your name is not only your identity but it also reveals a lot about you and your personality. Read more to know what the first letter of your name depicts about your personality.

The First Letter Of Your Name Can Reveal Your Personality!

Writing your full name in your signature reveals a more informal, relaxed approach to life â€“ the writer likes to get on first name terms quickly. LEGIBILITY Legibility bears little relation to speed: the fast writer can still be perfectly readable, and the slow writer can have an impossibly messy script.
