This was a book about the microscopic animals that live in our everyday life. This book is definitely for older students. The language the author used was a bit more advanced and harder to follow.

Yuck!: A Big Book Of Little Horrors by Robert Snedden

'Yuck!' is a slim volume but large sized to provide better visuals for the creepy-crawly microscopic horrors marching across each foldout page. I have a "visual" brain, and the visuals provided in 'Yuck!' are fantastic.
